

This year's version of the Knoxville Bound Benefit Fundraiser will have a unique twist. For the past 10 years the benefit has raised money through donations, raffles and a dinner. In doing so, the money raised was to help send a person with a life threatening medical condition to the famous Knoxville Nationals in Iowa and enjoy a weekend of sprint car racing. However, this year organizer John Perry is changing the location of the trip. The 11<sup>th</sup> Annual Knoxville Bound Benefit Fundraiser is now sending a person with family and or friends to the World Finals at The Dirt Track @ Lowe's Motor Speedway, Charlotte, NC, in conjunction with the World of Outlaws. "This year we are going to send someone to the World Finals at Lowe's because we have a strong relationship with the World of Outlaws and they have been willing to help out with our event," said John Perry.

This year Jennifer Newlin, Director of Merchandise and Memberships said, "Not only will the family see the best of the best in Sprint and Late Model racing at the World Finals, but we will be able to host the family better because it is one of our races on our schedule in our backyard of Concord, NC." This year's World Finals features the 410-winged sprint cars and dirt Late Models of the World of Outlaws competing at the Dirt Track @ Lowes Motor Speedway. "I am really excited for this year's trip," said Perry. "It's always good to change things up a bit and create new experiences."

The 11<sup>th</sup> Annual Knoxville Bound Benefit is looking for a candidate with a life threatening illness. If you know of someone who would love the chance for this amazing trip please contact John Perry at JP's Paint and Body Works in Chico or call him at (530) 342-1328. The benefit is now also excepting donations for the raffle. This year's dinner and raffle with take place on July 12<sup>th</sup> at JP's Paint and Body Works. Dinner tickets are \$25.00 and currently on sale at JP's. All of the money gathered from the dinner and the raffle go towards the recipient's trip. The money will pay for the cost of the flight, rental car, hotel and weekend passes to the event. The person will also take \$1,000 in spending cash. Any money left over goes into helping other families in the racing community.

\*A big part of the fundraising is the generosity of people like you who are reading this letter. We are looking for raffle donations of any kind. The items can be racing themed items but other useful items are welcomed. Past prizes have included racing shirts, photos, camping gear, home items and tools. \*\*\*

\*We are hoping to make the 2008 event the biggest ever. Anything you can do or provide is greatly appreciated. If you have a donation, you can send it to JP's Paint & Body Works or call and we will come to you to pick it up. We look forward to hearing from you and having another successful Knoxville Bound Benefit Fundraiser\*
